## AMENDED COPY OF THE CLAIMS

58

59       Kindly cancel without prejudice Claims 2, 6, 7, 8 and 9, and  
60   amend Claim 1 as follows:

61

---

1   1.   (Amended) A laparoscopic anesthetic sprayer tool for use  
2   during the performance of laparoscopic surgery, said tool  
3   comprising:

4       a hollow elongated body member having a first end and a  
5   second end;

6       said first end being open and including a seat internally  
7   located therein and extending upwardly from said seat is a  
8   channel having a pointed end [a receiving device is secured to  
9   said first end for] receiving [conventional] anesthetic medicine;  
10       a sprayer head is secured to said second end for dispensing  
11   said medicine; and

12       said sprayer head includes a plurality of apertures for  
13   dispersion of said medicine.

5 **CLEAN COPY OF THE CLAIMS**

6 I claim:

1. A laparoscopic anesthetic sprayer tool for use during the performance of laparoscopic surgery, said tool comprising:

    a hollow elongated body member having a first end and a second end;

    said first end being open and including a seat internally located therein and extending upwardly from said seat is a channel having a pointed end receiving anesthetic medicine;

    a sprayer head is secured to said second end for dispensing said medicine; and

    said sprayer head includes a plurality of apertures for dispersion of said medicine.

2. Cancelled.

3. A laparoscopic tool as in claim 1 wherein said sprayer head includes a rear wall, side walls and front wall, said rear wall is flat and said side walls extend upwardly from outer edges of said rear wall, and said front wall couples said side walls.

4. A laparoscopic tool as in claim 3 wherein said plurality of apertures extend through said front wall.

5. A laparoscopic tool as in claim 3 wherein said plurality of apertures extends through said front wall and said sidewall.
6. Cancelled.
7. Cancelled.
8. Cancelled.
9. Cancelled.
